

The Power of Integration in Digital Payments for Private K-12 Schools

Diamond Mind offers comprehensive digital payment solutions tailored to meet the unique requirements of private K-12 schools.

Private schools rely on receiving payments on time to maintain financial stability. Diamond Mind provides comprehensive payment solutions that simplify, streamline, and expedite transactions across campus. With our solutions, you can seamlessly accept digital payments for tuition, online fundraising, summer programs, and events through your school's website or mobile app. By using Diamond Mind, you can boost on-time payments, reduce costs, and ensure families have a seamless payment experience.

Our organization reached out to the team at Diamond Mind during a summer of intense transitions for us; their thoughtful work helped lighten the load. At every step of our interactions with them—from phone conferences to emailing—they were responsive and helpful.

The Advantages of a Unified Digital Payment Solution

Flexible, Transparent Pricing

Diamond Mind products offer flat rates with no hidden surcharges. Schools pay only transaction processing fees, which can be shared or passed on to families.

Enhanced Payment Experience for Families

Offer families the convenience of online payments. With intuitive interfaces, mobile or web payment options, automatic payment receipts, and easy tracking, families are more likely to make on-time payments.

Streamlined Payment Management for Schools

Schools can conveniently access and review all payments within a unified system. Filter and organize payments based on date, status, payer name, and amount, with the ability to swiftly pull up detailed payment information and history.

Diamond Mind Offerings: Everything You Need to Manage Payments

TuitionPay

Enable online tuition payments with TuitionPay, allowing families to manage recurring plans and update their payment details independently. Schools benefit from streamlined payment management with a full view of all payment activity in one system.

MySchoolWallet

MySchoolWallet allows families to make payments quickly and easily from their phones. The system also enables users to track payments and automatically sends receipts after a payment is completed.

CampusPay

Generate branded payment forms for your school website in minutes. Easily integrate the forms into your school website to accept online payments, reconcile accounts, generate reports, and export payment details to your accounting system.

Purchase Card Program

Allow school staff to make authorized purchases with no annual fees or interest charges. Plus, with every purchase, you can qualify for automatic cash rebates.
