

Discount Codes in CampusPay

Introducing Discount Codes in CampusPay - Set up flexible pricing and promotions directly within your forms with new discount code management. Admins can create codes, payers can use them on forms, and everyone saves.

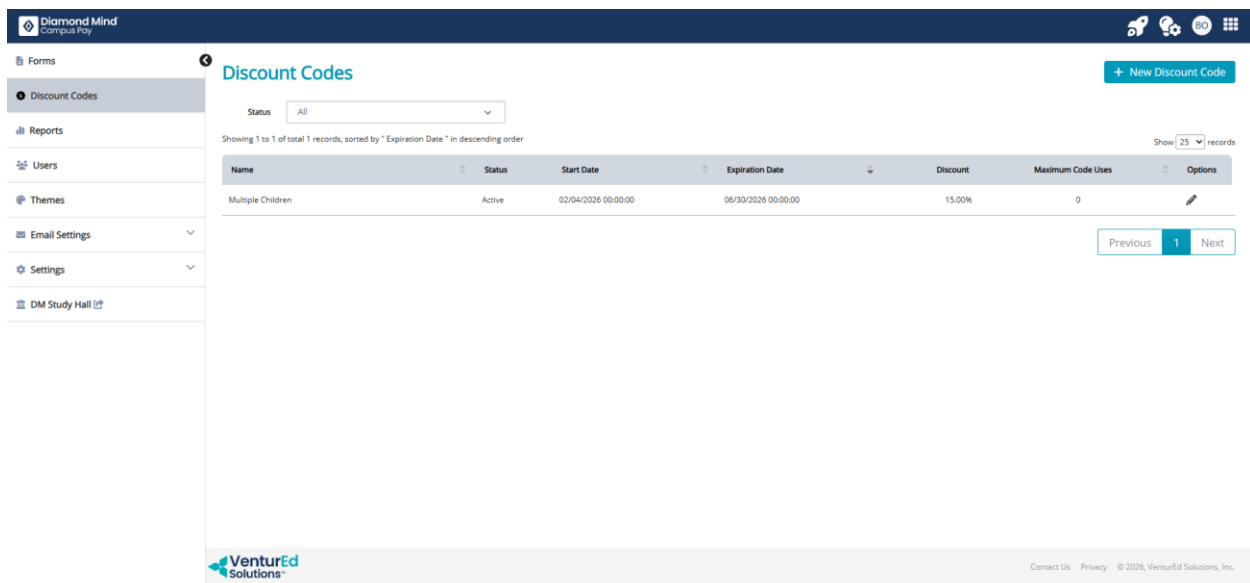

[Click here for a quick walkthrough to get started with Discount Codes](#)

What's New

- Apply discount codes on payment-enabled forms
- Support for percentage-based and flat-amount discounts
- Automatic, real-time validation of discount codes during checkout
- Clear user messaging for invalid or expired codes

How Admins Use Discount Codes

To create a discount code, from within CampusPay, navigate to Discount Codes in the left side menu, then click New Discount Code.

Name	Status	Start Date	Expiration Date	Discount	Maximum Code Uses	Options
Multiple Children	Active	02/04/2026 00:00:00	06/30/2026 00:00:00	15.00%	0	

Add a Name for your code, assign it a code that will be provided to the payer, and add a description for internal use. Assign a start date and end date for the code to start and expire. Select if the code will be a percentage off or a dollar amount off. You also have the option to limit the number of times a code can be used!
